

# Schattner Scholarship Eligible Course List

Please note that some of these courses may qualify as individual stand alone courses leading to employment, while others are part of a sequence of courses which must all be taken to qualify. Your career coach will discuss this with you after you complete the application. Some classes are Online or Distance Learning. Most of these are Online: Structured Remote, which means the class is online at specific days and times. Some classes are hybrid with part online and some in-person. Others have listed a campus location for in-person learning. Some Health Science courses have clinical at various locations around the county.

### Health Sciences Institute

Course Name	Course	Crn#	Class notes	length	Dates	Times	# classes	Location
<b>Health Science Institute -- <i>PROOF OF COVID VACCINE IS MANDATORY FOR ALL NURSING &amp; HEALTH SCIENCES STUDENTS THREE WEEKS PRIOR TO THE FIRST DAY OF CLINICAL! And other vaccinations as required.</i></b>			Certified Nursing Assistant / Geriatric Nursing Assistant (CNA/GNA) Program This program is designed for someone interested in working in physician's offices, assisted living or long-term care facilities, adult daycare centers, home care agencies and in the school system. 88 hours of classroom and 60 hours of clinical in a long-term care facility / nursing home are required. After successful completion of classroom and clinical, you will receive a certificate of completion from MC, be eligible to apply for certification as a CNA and to take the Geriatric Nursing Assistant Licensing examination through the Maryland Board of Nursing. Students learn basic nursing skills, how to take vital signs, assure patient safety, and caring for patients with a variety of illnesses. Special focus on the older adult. Effective communication and basic computer skills are necessary in this environment.					
<b>Certified Nursing Assistant (CNA) / Geriatric Nursing Assistant (GNA) /Certified Nursing Assistant Clinical (CNA)</b>			Step 1: Prior to registering for one of these programs, you MUST complete a FREE, on-line orientation session. To receive a link to the on-line orientation, complete the CNA/GNA Interest Indicator Form or go to <a href="https://www.montgomerycollege.edu/workforce-development-continuing-education/health-sciences/cna-gna/cna-gna-interest-indicator.html">https://www.montgomerycollege.edu/workforce-development-continuing-education/health-sciences/cna-gna/cna-gna-interest-indicator.html</a> During the orientation, you will take a basic math and reading test on-line. You must pass exam with 80% or better. Those who do not pass will have an opportunity to take the exam two more times. After passing both exams, you will be issued a signed registration form. The registration form must be taken in person to Customer Service to register for the program. Step 2: Decide which program you want to pursue, CNA/GNA or Hospital-based CNA.					
Certified Nursing Assistant Clinical (CNA)	AHT 223	24014	Must be taken with AHT 243 (24096)	60 hours; 3 weeks	10/16-11-2	MWR 8am – 3:30pm	9	Clinical – at Promedica Manor Care, Potomac
Nursing Assistant Classroom – Hybrid	AHT 243	24096	must be taken with AHT 223 (24014)	88 hours; 1 month	9/11-10/11	MWR 8am – 3:30pm	13	Hybrid

Certified Nursing Assistant Clinical (CNA)	AHT 223	24015	must be taken with AHT 244 (24016)	88 hours; 1 month	10/26-11/19	TRU 5-9:15pm on Tue & Thurs and 7am-4pm on Sun	15	Hybrid
Nursing Asst./Geriatric Nursing Asst. Classroom – In-Person	AHT 244	24016	Must be taken with AHT 223 (24015) 88 hours of classroom and 60 hours of clinical in a long-term care facility / nursing home are required. Classroom options include in-person classes and hybrid classes which are on-line structured remote lectures scheduled on specific days and times. All skills labs are in person. After successful completion of the classroom portion, you will complete a clinical component. TWA	7 weeks	9/5-10/24	TWR 5-9:15 pm	22	Hybrid
<b>Certified Nursing Assistant (CNA) - Hospital based</b>			Hospital-Based Certified Nursing Assistant (CNA) Program This program is designed for someone interested in working in the acute care or hospital setting, physician's offices, and ambulatory care facilities. 88 hours of classroom and 60 hours of clinical in a hospital are required. After successful completion of classroom and clinical, you will receive a certificate of completion from MC and be eligible to apply for certification as a CNA through the Maryland Board of Nursing. Students learn basic nursing skills, how to take vital signs, assure patient safety, and caring for patients with a variety of illnesses. Special focus on the hospitalized patient. Effective communication and basic computer skills are necessary in this environment.
